Mr. Roger B. Feldman  
 Comptroller's Office  
 Department of State  
 Washington, D.C. 20520

Dear Roger:

I am delighted to have your announcement of the official start-up of the first release of the Department's new Worldwide Financial Management System. On behalf of everyone here including Dan Childs and Harry Fitzwater, I congratulate you on the remarkable progress the Department has made on this project.

We are well aware of the difficulties in mounting a project of this size and complexity, and we know that this one is succeeding in large measure because of your skill and personal dedication to it.

Although neither Dan Childs or I will be able to accept your kind invitation to attend the start-up ceremony, please believe that we will be with you in spirit for that occasion and are looking forward to continued close cooperation on this very important effort.

Sincerely,

Edward L. Sherman  
 Director of Finance
